

## SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

| Product name                  | : | GREASE EXPRESS FRYER CLEANER   |
|-------------------------------|---|--|
| Other means of identification | : | Not applicable   |
| Recommended use               | : | Degreaser  |
| Restrictions on use           | : | Reserved for industrial and professional use.                                    |
| Product dilution information  |   | Product is sold ready to use.  |
| Company                       | : | Ecolab Inc.<br>1 Ecolab Place<br>St. Paul, Minnesota USA 55102<br>1-800-352-5326 |
| Emergency health information  | : | 1-800-328-0026 (US/Canada), 1-651-222-5352 (outside US)                          |
| Issuing date                  | : | 11/29/2018   |

#### **SECTION 2. HAZARDS IDENTIFICATION**

#### **GHS Classification**

| Acute toxicity (Oral)<br>Skin corrosion<br>Serious eye damage<br>Specific target organ<br>systemic toxicity - single<br>exposure | <ul> <li>Category 4</li> <li>Category 1B</li> <li>Category 1</li> <li>Category 3 (Respiratory system)</li> </ul>  |
|--|---|
| GHS label elements   |   |
| Hazard pictograms  |   |
| Signal Word  | : Danger  |
| Hazard Statements  | <ul> <li>Harmful if swallowed.</li> <li>Causes severe skin burns and eye damage.</li> <li>May cause respiratory irritation.</li> </ul>  |
| Precautionary Statements   | <ul> <li>Prevention:         Do not breathe dusts or mists. Wash skin thoroughly after handling.         Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear protective gloves/ protective clothing/ eye protection/ face protection.     </li> <li>Response:         IF SWALLOWED: Call a POISON CENTER/doctor if you feel unwell. Rinse mouth. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER/doctor. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.     </li> </ul> |

|  |     | Continue rinsing. Immediately call a POISON CE<br>contaminated clothing before reuse.<br><b>Storage:</b><br>Store in a well-ventilated place. Keep container to<br>locked up.<br><b>Disposal:</b><br>Dispose of contents/ container to an approved w | ightly closed. Store  |
|--|-----|--|-----------------------|
| Other hazards  | :   | None known.  |                       |
| SECTION 3. COMPOSITION/  | INF | DRMATION ON INGREDIENTS  |                       |
| Pure substance/mixture   | :   | Mixture  |                       |
| <b>Chemical name</b><br>disodium metasilicate<br>Sodium Carbonate<br>ethylenediamine tetraacetate<br>alcohols, c12-16, ethoxylated |     | 6834-92-0 60   | •                     |
| SECTION 4. FIRST AID MEA   | SUF | ES   |                       |
| In case of eye contact   | :   | Rinse immediately with plenty of water, also und<br>least 15 minutes. Remove contact lenses, if pres<br>Continue rinsing. Get medical attention immedia  | sent and easy to do.  |
| In case of skin contact  | :   | Wash off immediately with plenty of water for at<br>a mild soap if available. Wash clothing before re<br>shoes before reuse. Get medical attention imme  | use. Thoroughly clean |
| If swallowed   | :   | Rinse mouth with water. Do NOT induce vomitin<br>anything by mouth to an unconscious person. Go<br>immediately.  |                       |
| If inhaled   | :   | Remove to fresh air. Treat symptomatically. Get symptoms occur.  | medical attention if  |
| Protection of first-aiders   | :   | If potential for exposure exists refer to Section 8 protective equipment.  | for specific personal |
| Notes to physician   | :   | Treat symptomatically.   |                       |
| Most important symptoms<br>and effects, both acute and<br>delayed  | :   | See Section 11 for more detailed information on symptoms.  | health effects and    |
| <b>SECTION 5. FIRE-FIGHTING</b>  | ME  | ASURES   |                       |
| Suitable extinguishing media   | :   | Use extinguishing measures that are appropriate<br>circumstances and the surrounding environment   |                       |
| Unsuitable extinguishing   |     | None known   |                       |

| products                                       | Carbon oxides<br>Nitrogen oxides (NOx)  |
|--|---|
| Special protective equipment for fire-fighters | Use personal protective equipment.  |
| Specific extinguishing methods                 | Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. In the event of fire and/or explosion do not breathe fumes. |

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions,<br>protective equipment and<br>emergency procedures | : | Ensure adequate ventilation. Keep people away from and upwind of<br>spill/leak. Avoid inhalation, ingestion and contact with skin and eyes.<br>When workers are facing concentrations above the exposure limit they<br>must use appropriate certified respirators. Ensure clean-up is<br>conducted by trained personnel only. Refer to protective measures<br>listed in sections 7 and 8. |
|---|---|---|
| Environmental precautions   | : | Do not allow contact with soil, surface or ground water.  |
| Methods and materials for containment and cleaning up                     | : | Sweep up and shovel into suitable containers for disposal.  |

#### SECTION 7. HANDLING AND STORAGE

| Advice on safe handling     | : | Do not ingest. Do not get in eyes, on skin, or on clothing. Do not<br>breathe dust/ fume/ gas/ mist/ vapors/ spray. Use only with adequate<br>ventilation. Wash hands thoroughly after handling. |
|-----------------------------|---|--|
| Conditions for safe storage | : | Do not store near acids. Keep out of reach of children. Store in suitable labeled containers.  |
| Storage temperature         | : | 0 °C to 50 °C  |

## SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

| Engineering measures          | Effective exhaust ventilation system. Maintain air concentrations below occupational exposure standards.  |
|-------------------------------|---|
| Personal protective equipment | t   |
| Eye protection :              | Wear eye protection/ face protection.   |
| Hand protection :             | Wear the following personal protective equipment:<br>Standard glove type.<br>Gloves should be discarded and replaced if there is any indication of<br>degradation or chemical breakthrough. |
| Skin protection :             | Personal protective equipment comprising: suitable protective gloves, safety goggles and protective clothing  |
| Respiratory protection :      | When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.  |

| Hygiene measures | <ul> <li>Handle in accordance with good industrial hygiene and safety<br/>practice. Remove and wash contaminated clothing before re-use.</li> </ul> |
|------------------|---|
|                  | Wash face, hands and any exposed skin thoroughly after handling.<br>Provide suitable facilities for quick drenching or flushing of the eyes         |
|                  | and body in case of contact or splash hazard.   |

## SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

| _  |  |
|--|--|
| Appearance                                 | : powder                                       |
| Color                                      | : clear, white                                 |
| Odor                                       | : slight                                       |
| рН   | : 12.0 - 13.2, (1 %)                           |
| Flash point                                | : Not applicable, Does not sustain combustion. |
| Odor Threshold                             | : No data available                            |
| Melting point/freezing point               | : No data available                            |
| Initial boiling point and boiling range    | : No data available                            |
| Evaporation rate                           | : No data available                            |
| Flammability (solid, gas)                  | : No data available                            |
| Upper explosion limit                      | : No data available                            |
| Lower explosion limit                      | : No data available                            |
| Vapor pressure                             | : No data available                            |
| Relative vapor density                     | : No data available                            |
| Relative density                           | : No data available                            |
| Water solubility                           | : No data available                            |
| Solubility in other solvents               | : No data available                            |
| Partition coefficient: n-<br>octanol/water | : No data available                            |
| Autoignition temperature                   | : No data available                            |
| Thermal decomposition                      | : No data available                            |
| Viscosity, kinematic                       | : No data available                            |
| Explosive properties                       | : No data available                            |
| Oxidizing properties                       | : No data available                            |
| Molecular weight                           | : No data available                            |
| VOC  | : No data available                            |
|  |  |

### SECTION 10. STABILITY AND REACTIVITY

| Conditions to avoid    | None known. |  |
|------------------------|-------------|--|
| Incompatible materials | Acids       |  |
| 924785-01              | 4/8         |  |

#### Metals

| Hazardous decomposition : products | Decomposition products may include the following materials:<br>Carbon oxides<br>Nitrogen oxides (NOx) |
|------------------------------------|---|
|                                    | Nitrogen oxides (NOX)   |

## SECTION 11. TOXICOLOGICAL INFORMATION

| Information on likely routes of exposure   | :   | Inhalation, Eye contact, Skin contact  |
|--|-----|--|
| Potential Health Effects   |     |  |
| Eyes   | :   | Causes serious eye damage.   |
| Skin   | :   | Causes severe skin burns.  |
| Ingestion  | :   | Harmful if swallowed. Causes digestive tract burns.  |
| Inhalation   | :   | May cause respiratory tract irritation. May cause nose, throat, and lung irritation.   |
| Chronic Exposure   | :   | Health injuries are not known or expected under normal use.  |
| Experience with human expo   | วรเ | ire  |
| Eye contact  | :   | Redness, Pain, Corrosion   |
| Skin contact   | :   | Redness, Pain, Corrosion   |
| Ingestion  | :   | Corrosion, Abdominal pain  |
| Inhalation   | :   | Respiratory irritation, Cough  |
|  |     |  |
| Toxicity   |     |  |
| Product  |     |  |
| <b>Product</b><br>Acute oral toxicity  |     | Acute toxicity estimate : 572 mg/kg  |

|                       |   | LD50 Rabbit: > 2,000 mg/kg    |

## SECTION 12. ECOLOGICAL INFORMATION

| Ecotoxicity   |   |  |  |  |
|---|---|--|--|--|
| Environmental Effects                               | This product has no known ecotoxicological effects.   |  |  |  |
| Product   |   |  |  |  |
| Toxicity to fish                                    | No data available   |  |  |  |
| Toxicity to daphnia and other aquatic invertebrates | No data available   |  |  |  |
| Toxicity to algae                                   | No data available   |  |  |  |
| Components  |   |  |  |  |
| Toxicity to fish                                    | disodium metasilicate<br>96 h LC50 Fish: 210 mg/l   |  |  |  |
|   | Sodium Carbonate<br>96 h LC50 Lepomis macrochirus (Bluegill sunfish): 300 mg/l  |  |  |  |
|   | ethylenediamine tetraacetate<br>96 h LC50 Fish: 121 mg/l  |  |  |  |
|   | alcohols, c12-16, ethoxylated<br>LC50: 1.5 mg/l   |  |  |  |
| Components  |   |  |  |  |
| Toxicity to daphnia and other aquatic invertebrates | Sodium Carbonate<br>48 h EC50 Ceriodaphnia (water flea): 213.5 mg/l   |  |  |  |
| Persistence and degradabilit                        |   |  |  |  |
| Poorly biodegradable                                |   |  |  |  |
| Bioaccumulative potential                           |   |  |  |  |
| No data available                                   |   |  |  |  |
| Mobility in soil                                    |   |  |  |  |
| No data available                                   |   |  |  |  |
| Other adverse effects                               |   |  |  |  |
| No data available                                   |   |  |  |  |
| SECTION 13. DISPOSAL CONSIDERATIONS                 |   |  |  |  |
| Disposal methods                                    | Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.                              |  |  |  |
| Disposal considerations                             | Dispose of as unused product. Empty containers should be taken to<br>an approved waste handling site for recycling or disposal. Do not re-<br>use empty containers. Dispose of in accordance with local, state, and<br>federal regulations. |  |  |  |

#### **SECTION 14. TRANSPORT INFORMATION**

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport (DOT)

| UN number                 | : 3253                    |
|---------------------------|---------------------------|
| Description of the goods  | : Disodium trioxosilicate |
| Class                     | : 8                       |
| Packing group             | : 111                     |
| Environmentally hazardous | : no                      |
|                           |                           |

#### Sea transport (IMDG/IMO)

| UN number<br>Description of the goods | : 3253<br>: DISODIUM TRIOXOSILICATE, MIXTURE |
|---------------------------------------|--|
| Class                                 | : 8  |
| Packing group                         | : 111  |
| Marine pollutant                      | : no   |

#### SECTION 15. REGULATORY INFORMATION

#### **EPCRA - Emergency Planning and Community Right-to-Know**

#### **CERCLA Reportable Quantity**

This material does not contain any components with a CERCLA RQ.

#### SARA 304 Extremely Hazardous Substances Reportable Quantity

This material does not contain any components with a section 304 EHS RQ.

| SARA 311/312 Hazards | Acute toxicity (any route of exposure)<br>Skin corrosion or irritation<br>Serious eye damage or eye irritation<br>Specific target organ toxicity (single or repeated exposure)    |
|----------------------|---|
| SARA 302 :           | This material does not contain any components with a section 302 EHS TPQ.   |
| SARA 313 :           | This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313. |

#### California Prop. 65

This product does not contain any chemicals known to the State of California to cause cancer, birth, or any other reproductive defects.

#### The ingredients of this product are reported in the following inventories:

#### Switzerland. New notified substances and declared preparations :

On the inventory, or in compliance with the inventory

#### United States TSCA Inventory :

On the inventory, or in compliance with the inventory

#### Canadian Domestic Substances List (DSL) :

All components of this product are on the Canadian DSL

Australia Inventory of Chemical Substances (AICS) :

On the inventory, or in compliance with the inventory

#### New Zealand. Inventory of Chemical Substances :

On the inventory, or in compliance with the inventory

#### Japan. ENCS - Existing and New Chemical Substances Inventory : On the inventory, or in compliance with the inventory

#### Korea. Korean Existing Chemicals Inventory (KECI) :

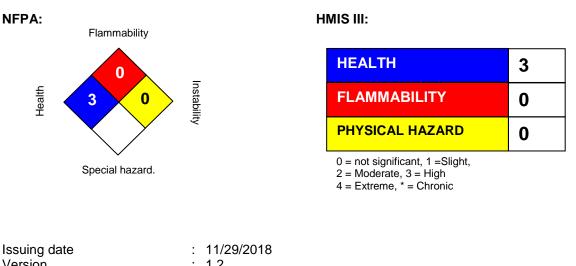

On the inventory, or in compliance with the inventory

# **Philippines Inventory of Chemicals and Chemical Substances (PICCS)** : On the inventory, or in compliance with the inventory

**China. Inventory of Existing Chemical Substances in China (IECSC)** : On the inventory, or in compliance with the inventory

# Taiwan Chemical Substance Inventory (TCSI) : not determined

| issuing date | : | 11/29/2018         |
